

**SAM 023245****TACCHELLA Type Elektra Evo CNC plus**

**Group** CNC cylindrical grinder  
**Manufacturer** TACCHELLA  
**Type** Elektra Evo CNC plus  
**Commander** FANUC 180i- TB  
**Serial No.** 14842

|                                          |              |
|------------------------------------------|--------------|
| Centre height                            | 180 mm       |
| Distance between centres                 | 1000 mm      |
| Max. grinding diameter                   | 350 mm       |
| Workpiece weight on centres max.         | 120 kg       |
| Grinding wheel:                          |              |
| Diameter                                 | 508 mm       |
| Width                                    | 80 mm        |
| Bore                                     | 203 mm       |
| max. grinding wheel width                | 100 mm       |
| Rotatable grinding spindle head (b-axis) | -15 / +195 ° |
| Peripheral speed                         | 50 m/s       |
| Grinding spindle motor                   | 8.2 kW       |
| Total power required                     | 30 kW        |
| Machine's weight about                   | 6500 kg      |
| Overall dimensions machine:              |              |
| <b>Various accessories:</b>              |              |
| Coolant system                           |              |
| 3-jaw chuck                              |              |
| Oil mist extractor                       |              |
